Answer

MINISTER OF STATE FOR ROAD TRANSPORT & HIGHWAYS, SHIPPING AND CHEMICALS & FERTILIZERS

(SHRI MANSUKH L. MANDAVIYA)

(a) to (c): No Madam, there is no report of supply of subsidized urea/fertilizers going in the hand of black marketers on a large scale from any State/UT in the current year.

Fertilizer has been declared as an essential commodity under Essential Commodities Act, 1955. Government of India has notified Fertilizer Control Order, 1985 under Essential Commodities Act, 1955 which prohibits sale of any fertilizer at a price exceeding the maximum retail price. Under Essential Commodities Act, 1955 State Governments have been empowered to take appropriate punitive action against the violators of this Act.

Further, Department of Fertilizers, regularly directs the State Governments to activate the enforcement agencies under their jurisdiction to take appropriate action to curb illegitimate sales of fertilizers.
